TECHNICAL ASSISTANCE EXPANSION PROGRAM

The Technical Assistance Expansion Program (TAEP) provides \$17 million each year through 2022-23 to expand small business services, such as free or low-cost one-on-one consulting or low-cost training. The program's funding is focused on services to underserved business groups, including women, minority, and veteran-owned businesses and businesses in low-wealth, rural, and disaster-impacted communities. The program allocates funding through a competitive grant process.
