# CALIFORNIA MICROBUSINESS COVID-19 RELIEF GRANT PROGRAM

## PROGRAM OVERVIEW

The California Microbusiness COVID-19 Relief Grant is administered by the California Office of the Small Business Advocate (CalOSBA). The Program provides competitive micro grants of \$2,500 to eligible microbusinesses impacted by COVID-19 and the related health and safety restrictions. Amounts available for each County were based on population and determined by the latest population estimates from the California Department of Finance. The role of grantmaking entities was granted to County government agencies or a consortium of nonprofits through two rounds of applications.

Participating Counties, their award amounts, partner organizations, and planned outreach activities can be found online at [calosba.ca.gov/publications](https://calosba.ca.gov/publications)

Per statute, CalOSBA issues the second and subsequent reports to identify the outreach activities conducted by each participating grantmaking entity along with any current outcomes of awards made in each county and by demographics, when available.

Reports can be found online at [calosba.ca.gov/publications](https://calosba.ca.gov/publications)
